

Important Announcement

PLI Vancouver is excited to welcome visitors from all over the world this February for the 2010 Olympic Games.

It's important to note that all transit and traffic routes will be greatly affected. We ask all students to allow themselves time when commuting to and from the school. In the event that PLI Vancouver will close for any reason, up-to-date information will be posted on www.mypli.ca

PLI students in demand for the Olympics!

As Vancouver gears up for the Winter Olympics this February, shops and services in and around Vancouver are decorating their stores, extending their hours and hiring lots of staff to be ready for the rush of visitors! Many shops and fast food outlets are going to be open 24 hours during the Olympics!

Many of our students who are currently on our paid work programs are being hired to work for stores, coffee shops and fast food restaurants. Quentin, from France, is working in the official Olympic Store at The Bay downtown. Sergio, from Brazil, is at American Eagle in Robson Street and we have 3 students working in Hollister in the Pacific Centre (also downtown). Can, from Turkey (see photo above), will be working at the 24 hour Starbucks next to Vancouver's new skytrain route, the Canada Line, which now links the airport to downtown.

It's an exciting time to be in this beautiful West Coast city, and students love the experience of being part of this huge international event.

Marina, Sales Advisor for Europe and Turkey, and Lee, our Examinations Manager, here in their Olympic uniforms. Both will be working during the Olympics at Canada Hockey Place, the sports arena which will host the Men's & Women's Hockey. They are both very excited to be attending the Men's Hockey Finals on February 28th, the last day of the Olympics!
